Super dedicated and very thorough and following up with questions. His section materials are very useful.
I loved Davide's sections. He always brought enthusiasm to the content and really helped me understand what was happening in lectures. He helped with problem solving techniques by going through his own process for each question, and offered his own notes for each section.
I think Davide explains things well, but he over–explains concepts, sometimes, and he usually teaches over time. But he is doing it all for our benefit, so I appreciate all his efforts!
Amazing!
